

Leadership Committee

Purpose:

The Leadership Committee is comprised of Think Tank members who have special interests and skills in analyzing future workplace health and well-being (HWB) needs and opportunities and suggesting projects that will keep HERO on the cutting edge of the workplace HWB world. This Committee will have a major influence on the future of HERO and the success we will have. The Leadership Committee is comprised of three subcommittees that operate under the direction of the Leadership Committee Chairperson.

Committee Chair: Jack Curtis, MS

CEO, Corporate Health Partners

Leadership Subcommittees
