

If you share our passion of improving the health and well-being of others and believe in providing the best experience for those you serve, we invite you to explore this career opportunity.

Wellness Manager

BaySport Corporate Health Division | Foster City, CA, United States

About Us

BaySport is a leading provider of preventive medicine, physical therapy, and corporate health services. With over 100 corporate clients, BaySport has developed many clinic and worksite based programs aimed at improving employee health and reducing employer health costs. From corporate wellness center management to cholesterol screening services to executive physical examinations to injury management services, the BaySport staff is able to help participants return to activity, identify health risks and make lifestyle adjustments to reach their health goals.

Job Description

The BaySport Wellness Manager position involves commitment to one of our corporate clients (20-30 hours/week) in Foster City. This is a temporary position for leave coverage; starts as soon as possible, due to end mid-November. Duties would include the support of the corporate wellness strategies.

Team Member Role and Responsibilities

JOB REQUIREMENTS

- Degree in Exercise Science or related field
- Current certification in CPR/AED and Professional Certification (ACSM, NSCA or similar)
- Ability to foster a team approach for success of all programs
- Previous experience in the Corporate Fitness/Wellness industry
- Previous experience with health risk assessment and wellness coaching

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Manage Health Improvement Program
- Coordinate and manage onsite health screenings & screening data
- Manage incentive programs (i.e. Holiday Weight Challenge and Gilead on the Move Walking Challenge)
 - Send weekly motivational emails
 - Manage stats
 - Present results and prizes
- Website Management - Data entry, announcement updates, set up registration scheduler, etc
- Assist with coordinating various wellness events (i.e. Weight Watchers meetings, seminars, etc.)
- Assist with program follow-up (Create and analyze surveys)
- Event Attendance (Kickoff and attend all wellness-related events and seminars)
- Employee interaction (Discuss health with employees)

BaySport Mission Statement

"To provide simply the best fitness, cardiovascular disease prevention and injury management services to individuals and corporate clients."
