

2026 HERO

SPONSORSHIP OPPORTUNITIES

Each year, HERO brings to the forefront emerging research and highlights established trends in population health and well-being practices, fostering learning, networking, and the exchange of ideas among professionals in the health and well-being industry. Your HERO Sponsorship provides your organization access to HERO members and attendees from corporate, consulting, health plan, health system, research and academic sectors. Sponsorship dollars also provide scholarships for nonprofit groups to participate and internships for college students in the field.
